About ShiJin

Founded in 2003 in Huiyang district, Huizhou city, Guangdong province, China, ShiJin is a fully integrated manufacturer of PET, HDPE and PETG bottles for cosmetics, skincare, personal care and daily-chemical brands. From preform to finished bottle, everything is made in one factory — giving us tight control over quality, lead time and cost.

Why brands choose us

- 600+ ready mold designs; custom mold & OEM from drawing to sample in 15–30 days.
- PET injection-stretch-blow, HDPE extrusion-blow and PETG production under one roof.
- In-house decoration: spray coating, silk-screen, hot-stamp, labeling and UV finishing.
- Certified to ISO 9001 · FDA · SGS · EU 10/2011 · Food Grade; BPA-free options.
- MOQ from 5,000 pcs; standard lead time 15–30 days; EXW / FOB / CIF / DAP / DDP.
- Exported to 30+ countries with full compliance documentation per shipment.
